Situational Awareness,
Compliance

Capabilities

- Self Screening
- Touchless Temp Scanning
- Contact Tracing
- Case Management
- Notifications
- Mass Emergency Notification
- Situational Awareness
- Compliance

"The system was a game-changer for our agency. It moved us toward real-time location tracking and assessment which allowed us to implement mitigation actions more timely and effectively."

- Dr. Dennis, DO FACS FACOS
Medical Director, Illinois State Police

Temp Scanning Integration

Temperature Scanning with integration into our CovidTracker Solution for all-inclusive data collecting.

Self-Reporting

Ability to enforce periodic or daily mandatory, time-bound self-screening reports with color-coded badge

Contact Tracing

Keeps track of granular information of locations over time to perform:

- Contact Identification
- Contact Listing
- Contact Follow-up

Audit Trail

System records any updates on cases on hand

Alert and Notification

Notifies appropriate personnel and users in real time and based on location
